

New iScrip® family reporting System

If you are looking for your family breakdown for the current fiscal/school year then you need to login to the new iScrip® system. You can find this at www.iscrip.net/nosalogin.php

Please enter your id and password and go to the bottom of the order form. Right next to your name and address you'll find links to "edit my info" and "view order history." If you click on "view order history" you'll see links for "2006-2007 history", "2007-2008 history" as well as links for individual weeks in the current year. To see your complete current year status click on the link/word "all" in the sentence "choose a date or view all current year history."

After reviewing and familiarizing yourself with <http://www.nosa.us/wtpspa/index.php?content=rules> as well as <http://www.nosa.us/wtpspa/index.php?content=faq> please feel free to direct any questions to wtpspa@gmail.com
